

# LAINGSBURG HIGH SCHOOL MARCHING WOLFPACK

*PRESENTS:*

## MARCHING SHOW 2012

[www.laingsburgbands.com](http://www.laingsburgbands.com)

*"The test we must set for ourselves [is] not to march alone but to march in such a way that others will wish to join us."*      -Hubert H. Humphrey

## **Welcome to the 2012 Laingsburg Marching Season!**

This year's show should find an audience taking a step back in time with the band as we perform music from the Beatles. We are able to watch the progression in music as we play some of the biggest hits the band ever made.

It is our goal at the Laingsburg Schools to continue the long and successful tradition in music established through a well rounded approach to the performing arts. Let's push ourselves this year to make this the best marching season to date.

Make sure to read this handbook completely – it may answer most of your questions, including necessary preparations needed for a successful rehearsal and performance, band camp, festival info, football game info, and general marching etiquette. Make sure to focus on the “Important Reminders” with band related policy updates.

It will be very beneficial for you to know the music well in advance of the first day of camp. Another helpful tool would be to download the music, stand cheers, drill and MP3's of the show directly from this link so you can practice along with the recording and get used to tempos, dynamics, articulations, and more:

<http://www.laingsburgbands.com/beatles>

See you all very soon. Practice hard!

Sincerely,

**Thomas Cousineau**

Thomas Cousineau

Director of Bands

# IMPORTANT REMINDERS!

1. ALL of the **MUSIC, MP3's, DRILL** and **STAND CHEERS** are available for download 24 hours a day on the band web page: [www.laingsburgbands.com](http://www.laingsburgbands.com). This means each student is expected to have their music, drill and stand cheers at every rehearsal without exception.
2. There will be **NO** tank tops allowed at band camp. **T-shirts only.**
3. **Short** shorts are **NOT** allowed. School rules apply regarding finger tip length.
4. Don't forget, the CD report has been combined with the fundraiser credit and performance attendance. So now you can get credit for the same grade by doing either a CD Report, **or** by attending a performance at a level higher than high school level, **or** by participating in a band fundraiser; such as the MSU concessions fundraiser.
5. **Uniform maintenance** will be the responsibility of EACH INDIVIDUAL student. Due to the alarming number of abused uniforms last year, a portion of **the performance grade will now include uniform maintenance. Remember: The band boosters are fact collectors, and are not responsible for grading.** Mr. Cousineau is responsible for keeping student records and grades.
6. You will be given a t-shirt during band camp that you must wear under the uniform at **EVERY PERFORMANCE**. It is your responsibility to make sure this t-shirt is clean **BEFORE** the performance. Sometimes we have Friday night games with a Saturday performance the very next morning.
7. **Section leaders** will need to take on many responsibilities. See the "section leader info and responsibilities" section of this handbook for a list of these responsibilities!
8. Students who **NEED** to **leave a performance** must follow school rules. The school has strict policies regarding leaving school-related performances, sports or any other after-school activities. Only the **parent** of the student leaving the activity may drive. A letter of permission to leave the activity must be submitted to and signed/approved by MATT SHASTAL before the performance date. The office will make copies of this permission letter for both their records and to give to Mr. Cousineau. **Under no circumstances may a student leave the performance with anyone except their own parent.**
9. In order to receive the senior award, students must be enrolled in band class for **8 semesters**. In correlation to this, in order for graduating seniors to receive the black band **cords**, students must have been enrolled in band class for **8 semesters**.
10. The underclassmen awards will be awarded as such:
  - a. Freshman Award – **2 semesters** enrolled in band
  - b. Sophomore Award – **4 semesters** enrolled in band
  - c. Junior Award – **6 semesters** enrolled in band

**Band Camp Survival Guide/Checklist:**

- Drink lots of liquids, even if you don't think you are thirsty
- Wear clothes that cover skin to protect against the sun, hats that cover the ears and neck. Hats with lengthy rims are great for blocking the sun....☺
- Clothes Checklist: Sleepwear, rainwear, shorts, jeans, socks, underwear, t-shirts (no tank tops), tennis shoes, sweatshirt, swimwear.
- Cabin Checklist: bed roll, pillow, sleeping bag, blankets, Alarm Clock, pillow etc...
- Personal: Toothpaste, toothbrush, towel, wash cloth, soap, shampoo, comb, brush, sunscreen, chap stick, personal medicine (to be checked in with the camp nurse), watch ← be on time!, camera (if you like), sun burn relief (Aloe Vera)
- Equipment: Instrument/Flag & Pole, ALL music, Flip Book, Lyre, Lots of Reeds, Key & Valve & Rotor Oil, Slide Cream / Grease, Sticks & Mallets, PENCIL(s)
- Wear sunscreen. Re-apply many times throughout the day.
- Wear comfortable tennis shoes – you will be marching all day, so having good shoes is a necessity. You will not be marching in sandals, flip flops, or anything other than comfortable tennis shoes.....despite the sock tan lines
- Have pencil with you at all times. In fact, have many pencils in case one breaks.
- Bug (mostly mosquito) repellent
- Eat a large breakfast everyday!
- Be on time for the departure!
- Please schedule all doctor and other appointments for the weeks before or after band camp.
- COME PREPARED! Make sure to have pencils, folios, lyres, your instrument, your music and drill book as well as lots of enthusiasm every day during camp and for every rehearsal.**

- ❑ **DO NOT BRING EXPENSIVE ITEMS, JEWELRY & OTHER ITEMS THAT MIGHT GET LOST OR STOLEN. DO NOT BRING LOTS OF MONEY – YOU WON'T NEED IT.**

### **!!!!ATTENTION!!!!**

*If you would like to continue to take band, make sure to schedule any required classes with foresight to ensure there are no conflicts with band during your high school career.*

#### **MUSIC MEMORIZATION & PRE – CAMP EXPECTATIONS:**

Each student should take it upon his/her selves to memorize the marching show. **EVEN AT THE FIRST MARCHING PERFORMANCE (FOOTBALL GAME), THE GOAL IS MARCHING WITHOUT NEEDING TO USE MUSIC.**

**Prepare by running through your music many times before the first day of band camp.**

**Every student is expected to have some music ready BEFORE band camp starts. Here is a check list:**

- ❑ Have the opener, “Eleanor Rigby and Sgt Pepper/Hey Jude” memorized BEFORE CAMP. It would be best to have all the music memorized before camp, however.
- ❑ You will need to memorize our 2 pre-game tunes, “The School Fight Song (Washington Lee Swing) and “The Star Spangled Banner” BEFORE our first performance. You may download all the stand cheers and pre-game tunes from [www.laingsburgbands.com/standcheers](http://www.laingsburgbands.com/standcheers)
- ❑ Know all scales in the key of the music we are playing. This means if we are playing tunes in the key of Ab (SSB), Bb, Eb, F and G, then you must be able to play those scales ascending and descending 2 octaves memorized, as well as Bb jump, Eb jump, F jump and G jump, etc...
- ❑ You should be able to play through the marching music at the tempo indicated on the music with dynamics and correct articulations.
- ❑ Stand cheers work best when memorized. Music for stand cheers can be used in the stands, but is not preferred. Alternately, music should not be seen anywhere on the band field!

#### **COORDINATE SHEETS**

You will be given your coordinates one time at the beginning of band camp. **DO NOT LOSE THIS SHEET!** Put this sheet with your music folio. Each member of the band is responsible for their own coordinate sheets. These coordinate sheets need to be with you **EVERY DAY DURING MARCHING SEASON**, and there will be **RANDOM MUSIC and COORDINATE SHEET CHECKS** for grades. If you loose your coordinate sheets or music, they must be downloaded from the page and printed off **BY YOU**. This should be an “Easy A” – all you have to do is have your music and coordinates **EVERY DAY AT EVERY REHEARSAL**.

It is in your best interests to transfer the information on the coordinate sheet to your **music**.

Here is what should be included on your **music**:

1. Measure number(s)
2. Forward or backwards marching direction. Use symbols. (FM=Forward March, BM=Backwards March, H=Halt or Hold, etc...)
3. Which side of the 50 yard line, Steps in front of the hash/side line, Steps inside or outside of the closest yard line.

## **CABIN INSPECTIONS**

Everyone will be responsible for keeping their cabins looking great. The chaperones will inspect the cabins during morning rehearsal. For those who opt not to be tidy, recreation time may be spent cleaning.

### *Visitation Policy*

The purpose for going away to a camp is to get away from normal, day-to-day distractions and spend time as a band un-interrupted to learn as much drill as possible in the short amount of time we have been given. For this reason, there will be no visitors allowed at camp until the final performance on the last day of band camp.

### *Attendance*

Attendance is mandatory and part of the grade. The success of the band depends on the dedication of **ALL** of its members, and counts toward the grade of the class.

### *Folios / Lyres*

Every student will need to purchase a folio and lyre for their instrument. Students will need these items **PRIOR** to band camp and are available at most instrumental music stores, including online stores. See the band web page “links” for music stores in our area <http://www.laingsburgbands.com/links.html>

### *Medical Conditions*

Medical conditions that students have must be made known by filling out the medical forms at the end of this handbook. Please make us aware of any medical conditions that may be affected by the conditions at band camp. **ALL STUDENTS ATTENDING BAND CAMP MUST FILL OUT MEDICAL FORMS BEFORE LEAVING FOR BAND CAMP.**

### *Physical Demands*

Marching band is a strenuous physical activity. Start getting into shape immediately! I recommend lots of stretching and walking; percussionists should be doing sit-ups to strengthen your back. In addition, make sure you have any necessary knee braces or other equipment to prevent injury. Hats, sunglasses and sunscreen are a MUST.

## **UNIFORMS**

Uniforms are a representation of our band as a whole. In order to participate in any of the performances, each band member must pass a uniform inspection before each performance. Section leaders are responsible to make certain that their sections are in proper uniform. All uniforms must be kept clean and well-maintained. **After each performance, the uniforms must be hung up, and returned to the proper location.** Spending a little extra time after a performance getting your uniform stored properly will reduce the number of missing pieces at the next performance.

**NO JEWELRY OR PIERCINGS ARE ALLOWED WHILE IN UNIFORM. HAIR MUST BE PUT UP INTO THE MARCHING SHEIKO (HAT) AND HIDDEN FROM VIEW.**

**Each student will need to purchase a pair of marching shoes. These shoes serve many purposes:**

1. Help us march better (they have a rolled heel!)
2. The band will all have the same uniform from head to toe. 1 band 1 sound.

At the end of the school year, students will need to turn in their uniform in the same condition as it was issued, less regular wear. If a student loses or damages a uniform part, it becomes their responsibility to replace.

## **FOOTBALL GAMES**

### *Uniforms*

Each band member will be in uniform for home games. If a student does not have their entire uniform, they will not be allowed to perform. While in the stands, students may take off their hats and gloves.

### *Seating*

While in the stands, the band will have a designated seating area. We will be performing in this area throughout the game. You are expected to sit **IN YOUR SECTION** in the stands.

**Only Band members are to sit within the band section. Non-band members will be asked to leave. The purpose of the stand cheers is to entertain and motivate the players and audience while in the stands, not to socialize.** Leaving unexcused from a football game will count as an absence.

### *Playing*

The band is expected to play throughout the course of the football game unless otherwise stated by Mr. Cousineau. During this time, be ready to play at any time, especially during a time out.

### *Restrooms, Food, Drinks*

If you need to use the restroom, please do so during the first quarter. Please use common sense. We will have to limit the number of students who are allowed to use the facilities at a given time to maintain the sonic integrity of the stand cheers.

### *Performance Times / Halftime*

We will line up for the halftime show with 2 or 3 minutes left in the second quarter. Please be in full uniform and ready to go at this time. The band will march back to the band room after the third quarter. You are free to go back to the game after the performance.

## **BAND FESTIVALS / INVITATIONALS**

### *Call Time*

Call time will vary with each competition / performance / home game. Sometimes, there will be a rehearsal before we leave for a performance. Please check the dry-erase board in the band room, listen to verbal instructions, and check the web page for more info about each performance.

### *Parent Information*

Students will be given information regarding each competition. It is the responsibility of the student to communicate this information to parents. Itineraries will be available for all festivals/invitationals. If you have questions regarding any performance, please feel free to contact Mr. Cousineau at any time, or check the web site for up to the minute information.

### *Transportation to a performance*

There will usually be 2 school busses plus the band trailer to take students/instruments to each competition. All students are required to ride the bus to the competition. We play together as one unit, we travel together as one also. The bus is a great place to solidify the marching drill in your heads, build lasting friendships, and (mentally) rehearse your music.

### *Uniforms*

It is important that everyone who stays at the competition stay in uniform because we want to represent Laingsburg in a positive manner. Uniforms must remain on unless otherwise instructed by the director.

### *Other Bands*

After our performance, we will have the opportunity to watch other bands. Each of these bands work hard and deserve a respectful audience. Please give each band your full consideration by refraining from talking or causing distractions in the stands, especially DURING their performance.

### *Awards Ceremony*

Most performances will conclude with an awards ceremony. All members of the band are to be present in the stands to show support for the person accepting the awards on our behalf, which is usually the drum major and color guard captain. For those assigned to accept the awards, you must remain at perfect attention during the ceremony and have a rehearsed salute when accepting any awards.

### *Results from Competitions*

During each competition, several judges will make taped comments for the band. Each judge will comment on the positive aspects of our performance, and more importantly, give us suggestions on how to improve.

At the conclusion of the MSBOA Marching Festival, the band will be given a division rating based on their performance. This is very similar to the band festival held every winter.

At the rest of the competitions, the band will be ranked in place based on their performance. Bands may also be competing for caption awards for Best Music, Best Marching, Best Percussion, and Best Color Guard.

## **EQUIPMENT TRAILER**

### *The trailer*

We have a trailer which we use to transport equipment to and from games and competitions. Since everyone is using this trailer, it is also **everyone's** responsibility to load and unload the trailer, and keep the trailer in good shape.

### *Equipment*

The trailer will be used to transport the following items: percussion instruments, percussion cases, drum major podium, props, color guard equipment, all uniform equipment including hats, and other large instruments. Smaller instruments such as flutes and clarinets run a risk of becoming damaged during the transport, and have in the past, so please keep smaller instruments with you on the bus. Large pieces of equipment

should be assigned a specific spot on the bus. This will enable us to load and unload equipment quickly and efficiently.

All percussionists will be responsible for loading and unloading their own instrument.

## **REHEARSALS AND SECTIONALS**

REHEARSALS WILL BE HELD RAIN OR SHINE. ☺ During rainy days, it is likely we will hold indoor music rehearsals.

*"The universal line of distinction between the strong and the weak is that one persists; the other hesitates, falters, trifles, and at last collapses or "caves in.""* -Edwin Percy Whipple

## **SECTION LEADER INFORMATION AND RESPONSIBILITIES**

A Good Section Leader Should:

- Motivate, Educate & Assist
- Know your music, and be responsible for the section - schedule and run sectionals, help individuals with instruction, correct wrong notes & rhythms
- Help section with coordinates, understanding coordinate books
- Inspect uniforms within section
- Take attendance by section
- Listen to music memorization tests
- Monitor* behavior in your section, *Report* problems to director
- Choreograph section routines for parades
- Check instrument angles
- Coordinate possible section shirts (optional)
- Generate good will within your section

*"Right discipline consists, not in external compulsion, but in habits of mind which lead spontaneously to desirable rather than undesirable activities."*  
-Bertrand Russell

## HAZING

**Hazing** – (P.A. 328 - 750.411t) – A student shall not engage in or participate in the hazing of an individual. “Hazing” means an intentional, knowing, or reckless act by a person acting alone or acting with others that is directed against an individual and that the person knew or should have known endangers the physical health or safety of the individual, and that is done for the purpose of pledging, being initiated into, affiliating with, participating in, holding office in, or maintaining membership in any organization. Hazing includes any of the following that is done for such a purpose:

1. Physical brutality, such as whipping, beating, striking, branding, electronic shocking, placing of a harmful substance on the body, or similar activity.
2. Physical activity, such as sleep deprivation, exposure to the elements, confinement in a small space, or calisthenics, that subjects the other person to an unreasonable risk of harm or that adversely affects the physical health or safety of the individual.
3. Activity involving consumption of a food, liquid, alcoholic beverage, liquor, drug, or other substance that subjects the individual to an unreasonable risk of harm or that adversely affects the physical health or safety of the individual.
4. Activity that induces, causes, or requires an individual to perform a duty or task that involves the commission of a crime or an act of hazing.

Students found to have been engaged in or participating in the hazing of an individual shall be suspended, or expelled from school, and referred to law enforcement
